

What's your restaurant management personality?

There are many ways to take on the challenges and opportunities of the restaurant world.

We created a quiz to help restaurant owners find their management personalities. Understanding your management personality helps you embrace your strengths and improve restaurant operations.

Nearly 1,000 restaurant owners or managers took the quiz and here are the results:

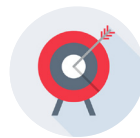

- 16%** - The Traditionalist
- 19%** - The Innovator
- 21%** - The Number Cruncher
- 45%** - The People pleaser

So what does each personality mean? Here's a breakdown.

THE TRADITIONALIST

- ✓ You've been in the restaurant business for a long time
- ✓ You know your customers like the back of your apron
- ✓ You rely on tried-and-true methods to keep business strong

THE INNOVATOR

- ✓ You're always thinking ahead
- ✓ You're a pioneer of new technology, marketing and ideas
- ✓ Your social media game is strong
- ✓ Your loyalty programs are showing results

THE NUMBER CRUNCHER

- ✓ Your best business partner is data
- ✓ You know the bottom line and are a tactical problem solver
- ✓ You can streamline costs & predict future sales

THE PEOPLE PLEASER

- ✓ Your business success is about the people
- ✓ You always look to increase customer and staff satisfaction
- ✓ You see how customers & staff contribute to your success
