

GRUBHUB FOR RESTAURANTS

Build a social media post in 3 steps:

Step 1: Download the Grubhub-provided image or use your own photo, and upload to your post.

Step 2: Add a caption from our three options below or customize your own caption to let your customers know you're available on Grubhub.

Step 3: Add any hashtags customized for your restaurants or use our suggested hashtags below.

**Suggested hashtags: #stayathome #eatlocal #inthistogether
#grubhub #delivery**

Social Media Caption 1:

Hey [insert local town]! Although our dining room is closed, we are still available for **contact-free delivery** and **curbside pickup** on Grubhub. Enjoy your favorite [insert popular meal] while staying home! We're here to feed you. Order today between [insert business hours] on Grubhub today! [insert Grubhub URL here] OR in [Instagram bio](#)

Social Media Caption 2:

Hey [insert local town]! We want to let you know that we are available to order for **contact-free delivery** and **curbside pickup** on Grubhub. Order today between [insert business hours] today! [insert Grubhub URL here] OR in [Instagram bio](#)

Social Media Caption 3:

We're now available to order on Grubhub! And, we're putting health and safety first, inside and outside of the kitchen. **Contact-free delivery** and **curbside pickup** are the best ways to receive your orders while ensuring the safety of you and your driver. Order today on Grubhub! [insert Grubhub URL here] OR in [Instagram bio](#)
